THREE PALOMA PROPERTIES GARNER TRIPADVISOR® ACCOLADES

Lake Geneva, WI – Paloma Resort Properties is proud to announce that three of their properties – The Ridge Hotel, The Inns of Geneva National and the Hunt Club Steakhouse -- received the 2017 TripAdvisor® Certificates of Excellence. Now in its seventh year, this achievement celebrates hotels, restaurants and attractions that have consistently received top traveler reviews on TripAdvisor® over the past year.

“Paloma Resorts is honored that multiple properties received the Certificate of Excellence this year, an award based on customer experience and input,” said GL Chambers, President of Paloma Resort Properties, which manages the three winning venues. “Our collective goal has been to raise the bar by delivering exceptional service, and this achievement validates that we are hitting the mark. Of course, such consistently strong praise and ratings wouldn’t be possible without our associates’ continued commitment to service excellence and success – so this reward also celebrates them.”

After undergoing a multi-million-dollar redesign in spring 2016, The Ridge Hotel collects its first Certificate of Excellence. This is the second time Geneva National’s boutique villas – The Inns of Geneva National – have received the award and the fourth time for the Hunt Club Steakhouse, which has been recognized annually since 2014. To qualify for the Certificate of Excellence, a business must maintain an overall TripAdvisor bubble rating of at least four out of five, be listed on TripAdvisor® for at least a year, and have a minimum number of quality reviews over a 12-month period.

“This recognition allows us to publicly honor businesses that are actively engaging with customers and using feedback to help travelers identify and confidently book the perfect trip,” notes Heather Leisman, Vice President of Industry Marketing at TripAdvisor®.

Just peruse a few of Paloma’s five-star customer reviews and see why these two lodging and restaurant options stood out among the rest – and among guests.
